

WPI-ASL00/TWL00

Ultra-Compact Pico-ITX SBC with Intel Atom® x7000RE

intel Twin Lake

DDR5

Compact Size

WSB-TWLPO

Ultra-Compact System
Without Compromising Power

Built for Industrial Intelligence
Flexible CPU Options for Every Need

High-Performance
with Intel 8-Core CPU
for 0°C to 50°C environments

IoT Integration Support
Multiple I/O ports for
connectivity & expansion

Fanless Aluminum Chassis
Industrial-grade fanless design
for harsh environments

Small Size, Big Power
Compact 2.5-inch form factor
with powerful computing and
high-speed connectivity.

|-------------------|---|-----------------------|-------------------------------|
| Processor | Intel® Atom® Twin Lake / Amston Lake processors | Storage Temperature | -40°C~85°C |
| Memory | DDR5 SO-DIMM 8GB/16GB (option) | Operating Temperature | 0°C ~ 50°C with airflow |
| Storage Device | 1x M.2 M key 2280 (PCIe4/SATA), SSD 128G/256G/512G(option) | Relative Humidity | 5%~95%(non-condensing) |
| USB Interface | 2x USB3.0 type A | Degree of Protection | IP 30 |
| Display Output | 1x HDMI | Dimension | 128mm(L) x 100mm(W) x 52mm(H) |
| Network Interface | 2x 2.5 GbE LAN | EMC Standard | CE/FCC Class A |
| Power Adaptor | 60W/12V | Mounting Kit | Din Rail mount, Wall mount |
